## Montclair Advisory Council

September 16, 2025 - Montclair Library 5:30pm

- Thursday, October 23<sup>rd</sup> – PTCO fall event collaboration – This event is called the Monster Mash. It will occur on Friday, October 24<sup>th</sup>. A Trunk or Treat idea was discussed. The committee voted not to do a trunk or treat collaboration with the Monster Mash event due to limited parking and too many events for one day that may clash with what families can participate in. Montclair neighborhood also has their own trunk or treat. Advisory Council could pass out meeting date flyers at the Monster Mash event.
- Community Service – Winter collaboration with SCA – how we can support students was discussed. Student Council’s first meeting is coming up on October 8<sup>th</sup>.
- Citizen’s Time – There should be time allotted for everyone to provide a report (for example, neighborhood reports in addition to principal reports or SACI reports).

Meeting Adjourned: 6:17pm
